

SUMMIT SPECIAL

SSPGC
SOUTH SOUND PLANNED GIVING COUNCIL
A member of the National Association of Charitable Gift Planners

2020-21 SSPGC New Membership Blitz – Just \$75.00
Sign up quickly – membership is good thru Dec. 2021

Your SSPGC Board is hard at work again this year. We will conduct five Formal Lunch presentations at La Quinta Inn & Suites, Tacoma; and five Brown-bag lunch discussions hosted by member organizations. These sessions inform and educate several hundred cohorts each year and involve local, regional and national experienced professionals. We have increased the number of allied professions (Lawyers, CPAs, CFPs, Trust Officers, CFREs, CAPs, etc.) in our membership which has added tremendously to the width and depth of our discussions and knowledge base.

There are many opportunities for your participation in hosting, presenting and planning for the various activities of the year. Your involvement and comments are always appreciated and solicited. We are continually seeking members who have an interest in board membership and in helping the Council grow.

Benefits of membership include:

1. Membership Luncheons with timely topics held on ZOOM for free right now, but will move to local facilities when it is safe to do so. Members pay \$20 - Non-member Fee is \$30
2. FREE Brown-bag-lunch discussions and Panels with local professionals who bring updated information and valuable insights, education and training to the Planned Giving community in the South Sound.
3. SSPGC and AFP together presented our our famous South Sound Philanthropy Summit with two national speakers. Response has been overwhelmingly positive for 8 years now.
4. Opportunities to meet colleagues and create lasting professional relationships with both planned giving officers and professionals in allied professions that all work together to create successful donor experiences.
5. The opportunity to learn from and teach each other as well as lead SSPGC in its quest to provide pertinent programs for its members . Help the general level of knowledge in our community and lend your expertise to conversations and presentations.
6. Reciprocal membership privileges with Washington Planned Giving Council in Seattle – WPGC member luncheon pricing as well as member pricing to their Conferences (and our member prices are reciprocated to their members) – Association of Fundraising Professionals (AFPSS) members receive a \$25 reduction for dual membership (\$50 per calendar year.)

There are many more benefits to this Council – we truly hope you will join us again this year in making the South Sound Planned Giving Council an organization that is responsive and relevant to the professional and educational needs of this growing and vital giving method called Planned Giving.
