## **2022 Sponsorship Opportunities**

The **10<sup>th</sup> Annual** South Sound Philanthropy Summit is co-presented by two premier South Sound professional groups: **South Sound Planned Giving Council** and the **Association of Fundraising Professionals – South Sound Chapter**.

The Philanthropy Summit traditionally brings together 150-plus professionals representing all aspects of the philanthropic community, including fundraising, financial, legal, accounting, estate planning, foundations and nonprofits.

The Summit in 2021 was focused on **Social Justice Philanthropy**, featuring national speaker and author, Edgar Villanueva; the newly-released **Transfer of Wealth Study** for Pierce County; and the **Leave 10 Initiative**, complete with resources and tools.

For our 10th anniversary, the half-day Summit will again include timely and relevant keynote speakers, breakout sessions designed to meet the differing needs of allied professionals and nonprofits, and the vital conversation of diversity, equity, inclusion and access in philanthropy. A website offers tools and information. The popular afternoon networking happy hour at which participants and sponsors interact may be offered in-person, with regulations permitting.

If your business involves working with individuals and families who are interested in philanthropy and the power it has to transform our community... If you are inspired to serve, support and celebrate the people and organizations shoring up our community right now... If you want to promote the connection people are longing for... then a sponsorship for the 2022 South Sound Philanthropy Summit is an opportunity you can't afford to pass up. *We welcome you!*
