2023 Sponsorship Opportunities

The 11th Annual South Sound Philanthropy Summit is co-presented by two premier South Sound professional groups: South Sound Planned Giving Council and the Association of Fundraising Professionals – South Sound Chapter.

The Philanthropy Summit traditionally brings together approximately 150 plus professionals representing all aspects of the philanthropic community including nonprofits, foundations, and estate planning professionals in the financial, legal, and accounting areas.

This year our shared learning will focus on how we can re-energize our sector. Many are coming off “pause” with a need and desire to reboot, revise, and revitalize. The summit will feature keynotes from industry thought leaders, a panel presentation from sector innovators, roundtable discussions led by prominent local philanthropic professionals, a networking happy hour so participants and sponsors can interact and discuss topics of interest to them, and vendor space for Presenting Sponsors and Corporate Sponsors.

If your business involves working with nonprofit professionals, professional advisors, or individuals who are interested in philanthropy and the power it has to transform our community... If you are inspired to serve, support and celebrate the people and organizations shoring up our community right now... If you want to promote the in-person connection people are longing for... then a sponsorship for the 2023 South Sound Philanthropy Summit is an opportunity you can't afford to pass up. We welcome you!
